

The Players Oath

I will play safe.

I will play fair.

I will not cheat myself or the game.

I will take my hits.

I will not put myself or others in danger.

I will take care of my equipment and surroundings.

I will respect all others.

I will not insult or discriminate against others.

I will not drink and battle.

I will not play angry.

I will not be a bully.

I will train myself and others to be a better player.

I will respect officials.

I will be patient when things need to be fixed.

I will remember that the goal is to have fun, not to win.

I will be humble in victory and graceful in defeat.

I will take my character's death.

I will enjoy myself.

I will remember it's a game.
